Search Flight Records

Listbox with saved Flight records

Depending on which Flight is selected,  
Extras are displayed. For Low Fare  
there are no extras.

Saves The Flight  
to the File

Deletes the Flight  
from the file

Double-clicking a record will let you  
edit the record by prefilling the form  
on the left

When you click on Save it should  
overwrite the details in currently  
saved under the Flight Number
